

“Between the Lines” by Keith Harry
Press Release

“Between the Lines” is the debut album by Keith Harry set to release on Friday, February 3rd, 2023. The album ventures into multiple themes and a range of styles both musically and lyrically, all while holding true to Keith’s musical spirit, influences and heartfelt emotions. *“Between the Lines”* will funk you up then whisk you away into a thick atmosphere of sound only to land you back into a stream of floaty and driving rhythms that loop you through many twists and turns. Keith will be out on tour promoting the album while playing bass for Andrew Scotchie & the River Rats, and Kevin Daniel & the Bottom Line the entire months of February & March, 2023.
